

# SHM Person of the Year Award

## Main Content

### I. Eligibility

Any individual that works or has worked in government, industrial, or academic sectors from any region of the world are eligible.

### II. Nomination Criteria

The Person of the Year should have made an outstanding contribution to the field of structural health monitoring ("SHM") that will benefit society.

This contribution can be in theory, analysis, applications, education, or other ways that advance the broad discipline of SHM and benefit society.

The award recognizes accomplishments within the past year or a few years.

### III. Award Committee

From eligible nominations, the SHM "Person of the Year" will be selected by the Editors and Associate Editors (the Editorial Board) of Structural Health Monitoring: An International Journal (the SHM–POY committee). The SHM–POY committee chair is Prof. **Wieslaw Ostachowicz**.

### IV. Nomination Procedure

The nomination window is currently open, and the nomination deadline is **April 10, 2024**). Anyone may submit a nomination letter for the person of the year.

The nomination letter's strawman format is inserted at the end of this document. The nomination letters should be submitted by email to the SHM–POY committee chair, Prof. **Wieslaw Ostachowicz** ([wieslaw@imp.gda.pl](mailto:wieslaw@imp.gda.pl)). A log of the nominations will be compiled.

### V. Selection Procedure

Once letters are received and logged by the committee chair, nomination packages will be distributed to the SHM-POY committee along with a voting document.

The SHM-POY committee members will have approximately one month (**May 10, 2024**) to review the nominations and vote for their top three choices for the person of the year using the voting document provided. The Editor-in-Chief, Scientific Editor, and Managing Editor will review the nominations and the voting by the SHM-POY committee and make the final decision for the award. If there is not a majority (2 of 3 editors) selecting the same person, the Editor-in-Chief will make the final decision for the person of the year.

## **VI. Award Presentation**

1. The SHM-POY award consists of a plaque to be presented at the SHM workshops, which are alternately held at Stanford University and at different European venues.

This year the European SHM Workshop is held in Potsdam, Germany, from **June 10-13, 2024**.

2. A short editorial in the SHM Journal will be about the person selected each year for the award. This editorial will also recognize the person selected for the Lifetime Achievement Award. (The Lifetime Achievement Award is independent of the SHM journal).

### **SHM-POY Committee Chair:**

Prof. Wieslaw Ostachowicz

email: [wieslaw@imp.gda.pl](mailto:wieslaw@imp.gda.pl)

### **Structural Health Monitoring Leadership:**

Prof. Fu-Kuo Chang, Editor-in-Chief

Prof. Michael Todd, Managing Editor

Dr. Bill Prosser, Scientific Editor.

## **VII. Nomination Letter Format**

Page limit (four letter-size pages, 1-inch margins, Times Roman 12 font) Contents:
